

**For Immediate Release: November 13, 2015**

**SAFETY NOTICE**

**INTERTEK WARNS OF LACERATION HAZARD ON cETL<sub>us</sub> CERTIFIED  
ON SHARKNINJA BLENDERS SERIES NINJA BL66X**

Intertek Testing Services (ETL) notifies consumers, retailers and distributors that SharkNinja Blenders Series NINJA BL66X bearing a cETL<sub>us</sub> Certification Mark pose a laceration hazard.

Note: The products are in compliance with the relevant Safety Standards.

For complete details, please see:

- CPSC Recall Number: [16-034](#)
- Health Canada Recall Number: [RA55796](#)

**Name of Product:** NINJA  
**Brand/Manufacturer:** NINJA  
**Sold at:** Various department stores in Canada and the United States and online from August 2012 to September 2015.

Affected model numbers:	
Series	Models
BL660	BL660, BL660B, BL660C, BL660QCN, BL660QPL, BL660W, BL660WM
BL663	BL663, BL663CO
BL665	BL665QBK, BL665QCN, and BL665QWH

**Consumer Actions:**

Consumers should empty the blender’s pitcher through the locked lid’s pour spout or by removing both the lid and the stacked blade assembly from the pitcher before pouring. Consumers do not need to return the blenders and can contact SharkNinja to obtain new warnings and instructions.

For more information, consumers may contact SharkNinja toll-free at 1-877-593-5140 FREE from 7 a.m. to 11 p.m. ET Monday through Saturday, 9 a.m. to 8 p.m. on Sunday or [online](#) and click "Download New Manual" for the revised instructions.
